

School on Quantum Communication - uOttawa

each lecture: 60min + 15min discussion

ARC 233

Saturday, 2nd June 2018

Time	Lecturer	Title
9:30 - 9:45		Welcome - Remarks
9:45 - 11:00	Giuseppe Vallone	Free-space and satellite quantum communication
11:00 - 11:15		<i>coffee break</i>
11:15 - 12:30	Giuseppe Vallone	Free-space and satellite quantum communication
12:30 - 14:00		<i>lunch break</i>
14:00 - 15:15	Khabat Heshami	Light-matter interfaces for long-distance quantum communications
15:15 - 15:30		<i>coffee break</i>
15:30 - 16:45	Shihan Sajeed	Implementation and security of quantum communication

Sunday, 3rd June 2018

Time	Lecturer	Title
9:45 - 11:00	Shihan Sajeed	Implementation and security of quantum communication
11:00 - 11:15		<i>coffee break</i>
11:15 - 12:30	Khabat Heshami	Light-matter interfaces for long-distance quantum communications
12:30 - 14:00		<i>lunch break</i>
14:00 - 15:15	Khabat Heshami	Light-matter interfaces for long-distance quantum communications
15:15 - 15:30		<i>coffee break</i>
15:30 - 16:45	Giuseppe Vallone	Free-space and satellite quantum communication
